Kotter's views on the essentials of leading organizational change, as informed by his experiences with numerous companies.

10 Principles of Leading Change Management

The 9 change competencies can be further divided into 3 main categories — what we call “the 3 C’s of change,” leading the process, and leading the people. The 3 C’s of Change Leadership. Researchers found that 3 skills provide the necessary connection between the process part of change and the people part of change.
