"Why go to a museum when you can just don a headset to experience fabulous sights, sounds, touch -- and hang out with friends -- without leaving home? On the other hand, with such a direct, high-impact platform to reach people where they live, how many converts can museums court to visit IRL.

Learning from Museums: Visitor Experiences and the Making ...

Learning from Museums. . . elaborates topics such as museums and the individual, communities of learners, documenting learning, improving the visitor experience, museums in society, and the future of museums. Visits are both learning and fun, choice of what and when to learn is intrinsic to the museum experience, conversation is a primary mechanism of knowledge construction . . . and meaning is elaborated by subsequent experiences. . . .

IDENTITY AND THE MUSEUM VISITOR EXPERIENCE - Google Books Result critical to understanding the entire museum visitor experience.. and what learning/meaning

Learning From Museums Visitor Experiences Basically the nature of learning is complex, and museums can improve learning experiences by considering aspects of personal context (why someone chose to visit and what they're interested in), socio-cultural context (the learning that happens through social and interaction and mediation), and physical context (good design and communication).

9 Things Museums Can Do To Improve The Way We Experience ...

Museums have always been great tourist spots. You visit them to gain knowledge, or to spend leisure time, or just to marvel at the artifacts. And to keep visitors engaged, museums should fulfill their purpose of visit. But lately, museums have started finding it difficult to keep the visitors engaged.
