Or record them all and listen back to the vocabulary list a few times. Colour code your list, for example to highlight different genders or word types. (Thanks to David Casey on Facebook for this tip!)

8 Practical Ways to Learn All the Foreign Language ...

It ' s true that vocabulary is the concept that gets the most attention by language learners. My theory is that it ' s the concept / element we most easily relate to because it ' s the one thing we can remember doing (and indeed are still doing) for our first language. But very few people remember much about learning the pronunciation or grammar of their first language, for example.
