biography tells the story of a young boy and his loving, single mother and their struggle to make it on their own. With the help of a coach and his family, LeBron is introduced to the game of basketball.

LeBron James is for the children : BlackPeopleTwitter

The book i read was LeBron james : A Biography by Lew Freedman. The author is an experienced writer and author of over 75 books. He has written books about athletes in sports like basketball, baseball, football, etc. The tone of the book is more dry and informative than anything else. I think that the book is great.
