Let Love In 1 Melissa

Let Love In is by Melissa Collins. This romance is the first of a series. Until the characters were finally all fleshed out, the book was a little slow. However, once the characters were well rounded the book began to be more interesting. The plot was one which changed as new people or new things came into play. This made the book a very good read.

? Melissa Collins, Let Love In "you are the reason I breathe. Without you, my life would have no meaning at all, so saying that you 'make me happy' is a huge fucking understatement.

Review: Let Love In (#1, The Love Series) by Melissa ...

I got this as a freebie because I went to Melissa Collins Release Party of book #5 Let Love In. I saw that it was offered free on Amazon in a post. I was particularly interested in that book (I was given the advice to read at least book 1 and 2 before I read it. So I purchased this book on Amazon (for free).

Beyonce's End of time -performed by Melissa Molinaro on her Wedding day. HD

Let Love Stay is Book 2 in The Love series by Melissa Collins. This is as good if not better than book 1. The characters are even more developed in this book because the characters are older and have gone through a lot.
