Talky Talk: Let's Talk About Sex, Baby Unsurprisingly, this has plenty of sex talk: none of it graphic, but all of it sex positive. The characters also aren't afraid to have uncomfortable but necessary conversations—and not just about sex—with the kind of maturity that teenagers don't get enough credit for having the capacity for.

Let's Talk About Birds & Bees/Tallamy - UDBG

I have always loved bees, and I have spent a good part of my life working with them. As a former beekeeper for Rutgers University and someone who still maintains hives in my backyard, I am passionate about bees, and understand and respect the important role they play in our state's quality of life. So [...]

Let's talk about "The Birds & the Bees with Birds"

Most companion birds spend the majority of their lives indoors, but may still show considerable sensitivity to outdoor weather, particularly as it relates to changes in barometric pressure. At least one scientific study – even though the subjects were sparrows rather than parrots (e.g., Metcalfe et al., 2013) – provides good evidence for such sensitivity.
