Letters From A War Zone

Letters From A War Zone details the very sad and very real struggles of one-half of the human population to be treated as equals by the other half. Fiercely intelligent and never mincing her words, Dworkin challenges the hurtful and dehumanizing norms in our society which keep individuals of both genders, but particularly females, from living peacefully and to their fullest potential.

Letters from a War Zone Quotes Showing 1-2 of 2. "We see a major trade in women, we see the torture of women as a form of entertainment, and we see women also suffering the injury of objectification—that is to say we are dehumanized. We are treated as if we are subhuman, and that is a precondition for violence against us.
