Since the promulgation of the National Policy on Religion and Education (2003), Faculties of Education have worked hard to develop the Religious Component of the Life Orientation curriculum—Religion Education.

Resources - Catholic Institute of Education

Prior to this there were a group of subjects like Guidance, PT (physical training) and Religious Education that Life Orientation then replaced. The new subject was seen as a way to equip scholars with life skills that would enable them to make wise choices, understand healthy living (sports and food), get career direction, learn study skills and become aware of environmental, community and society issues.

Life Orientation And Religious Education: Gr 7 9 ...

Life orientation is an excitingly diverse subject, incorporating many aspects of life. Most people who matriculated more than a decade ago, will remember life skills, guidance counselling, PT classes and religious studies. However, Life orientation (LO) has evolved into a holistic subject encompassing emotional, physical, spiritual and mental aspects of life.
