now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Linear Algebra Done Right, Second Edition
Linear Algebra Done Right, 3rd Edition:
Solutions. Most solutions here are of my own authorship, but some were done with the help of this site. The notes.md in each chapter folder (the ones that do have though) contain some theorems or lemmas.. To visualize the equations, I recommend Google Chrome with the extension TeX All the Things or GitHub with MathJax.
