Satire is so prevalent in pop culture that most of us are already very familiar with it, even if we don't always realize it. Satire can be part of any work of culture, art or entertainment. It is an often-humorous way of poking fun at the powers that be. Sometimes, it is created with the goal to drive social change. Satire has a long history and it is as relevant today as it was in ancient Rome.

Literature, Politics and Culture in Postwar Britain by ...

Formed in Ottawa in 1868, with a platform that united political nationalism and the encouragement of literature and culture, it eventually became a political party. Unsuccessful in politics, it nevertheless had a significant effect on the production of literature and the establishment of a Canadian tradition in the arts.

Literature, Politics and Culture in Postwar Britain ...

Literature and Politics As in most English departments, we work on the politics of reading as well as writing. Our concerns verge on issues of sexual and textual politics, on cultural history and theory, on ideology and the ends of literature as imagined by writers (nation, peace, war); on notions of the public (sphere/s); and on questions of community or division (including race and ethnicity).
