☐THE LITTLE BLUE BOOK☐ First, we must understand that our chosen profession is that of a higher calling, in which we hold ourselves to higher standards. To serve proudly and capably, our commitment to our cause must be unbreakable; it must be bonded in our mutual respect for each other. Throughout our service we are guided and reminded of this

Bottle collectors put a premium on square and hexagonal antique bottles for food because of the ornate panels near the top and the wide mouths, which made them useful for repurposing. Rare sauce glass bottles made to look like beehives are also collectible, as are ones with horizontal, vertical, or spiral lines.
