Pragmatism is a philosophical tradition that considers words and thought as tools and instruments for prediction, problem solving, and action, and rejects the idea that the function of thought is to describe, represent, or mirror reality. Pragmatists contend that most philosophical topics—such as the nature of knowledge, language, concepts, meaning, belief, and science—are all best viewed ...

"The vast majority of teens don't commit serious crimes, and the same logic about teen brain development applies to shoplifting or murder," says Steinberg. "Judges are making decisions every day about whether teens should be detained or not." And research shows that contact with the justice system is bad for kids, he adds.

Fuzzy set - Wikipedia

About this journal. The Southeastern Surgical Congress owns and publishes The American Surgeon monthly. It is the official journal of the Congress and the Southern California Chapter of the American College of Surgeons, which all members receive each month.

Logic At The Crossroads Vol

In mathematics, fuzzy sets (a.k.a. uncertain sets) are somewhat like sets whose elements have degrees of membership. Fuzzy sets were introduced independently by Lotfi A. Zadeh and Dieter Klaua [] in 1965 as an extension of the classical notion of set. At the same time, Salii (1965) defined a more general kind of structure called an L-relation, which he studied in an abstract algebraic context.

The Impact of Corporate Sustainability on Organizational ...

Metaphor is a poetically or rhetorically ambitious use of words, a figurative as opposed to literal use. It has attracted more philosophical interest and provoked more philosophical controversy than any of the other traditionally recognized figures of speech.

Pragmatism - Wikipedia

We investigate the effect of corporate sustainability on organizational processes and performance. Using a matched sample of 180 U.S. companies, we find that corporations that voluntarily adopted sustainability policies by 1993—termed as high sustainability companies—exhibit by 2009 distinct organizational processes compared to a matched sample of companies that adopted almost none of ...
