Logicomix is a work that has been carefully constructed to gradually introduce to an audience member who is ignorant of the history of mathematics and its attendant philosophy all of the required concepts, time frames, historical contexts and personages, etc., without overwhelming them.

Logicomix: An Epic Search for Truth by Apostolos Doxiadis

"Logicomix" is an ambitious and inventive work that has brought arcane aspects of mathematical logic and intellectual history to a new audience. The work brims with ideas, passion, and drama. I found the graphics skillfully done, the only flaw being the somewhat wooden and repetitious portrayals of people.
