Sanergy's triple bottom line: Loos that save lives | Salt
Sanitation Saves Lives For many people around the world, November 19, " World Toilet Day ", was a day to celebrate. Some 2.6 billion people worldwide have one thing in common—they do not have access to sanitation—but the World Bank and the Water and Sanitation Program (WSP) are helping change that.

Why Bill Gates is reinventing the toilet - 9Homes
Win or loos? World Toilet Day this week is not a joke, but deadly serious The lack of toilets costs lives. Just look at India To stroll at dawn through most inhabited parts of the Indian countryside—or even to land at many provincial airports—used to be to intrude on a vast latrine. In every secluded and not-so-secluded corner, men could be seen squatting, to defecate.
