They have a hammerlock on commerce in nearly  
every country of the Pacific Rim. It is they  
who financed the current economic boom that  
has made China the third largest market in  
the world after the U.S. and Japan, and they  
who have the greatest stakes in which  
direction post-Deng China takes.

In the course of his anecdotal narrative, the  
author makes a number of intriguing points  
about the prospering, nepotistic Overseas  
Chinese (for whom networking is a way of  
life). By way of example, a significant  
portion of their money has been (and  
continues to be) earned in the drug trade and
