Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The LX5's ISO performance has been nicely improved from the LX3 however. Where the LX3 started to show visible noise at ISO800 with most users probably not venturing towards ISO1600, the LX5 does better. ISO1600 on the LX5, while not entirely noise free, is usable. These improvements however, come with certain trade-offs.
