Among these, Katayoun Shafiee follows this path with her first monograph entitled Machineries of Oil: An Infrastructural History of BP in Iran<sup>2</sup> which examines the history of the Anglo-Persian Oil Company's<sup>3</sup> activities in Iran through a socio-technical lens, studying in detail the organizational practices that allowed the British company to keep a monopoly on the extraction of Iranian oil until its nationalization in 1951. These organizational practices and artefacts, such as mathematical ...

Ebooks download Machineries Of Oil An Infrastructural ...

I am also grateful to employees at the National Iranian Oil Company in Abadan, who graciously shared their memories of oil operations in the 1950s. Most importantly, my research in Iran would not have occurred as smoothly as it did without the support provided by my aunt, Fereshteh Motamedi, and my uncle, Ali Afshar.
