### Making Connections - ReadWriteThink

When children make connections between a book and their own lives, they feel empathy for the characters and become invested in the story. They have an easier time remembering the story when they feel a personal connection. Later, kids begin to make connections between books they've read. Eventually they'll be making connections to the world.

### Making Connections during Reading - The Measured Mom

Making connections allows students to see the interrelatedness of mathematical concepts and provides space for them to apply number concepts in other areas. Regarding "content to cover", I'd like to shift the focus from seeing content and outcomes as things to cover to seeing the content as ways to address the outcomes.
