The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

Making War At Fort Hood

"Making War at Fort Hood is a powerful, beautifully written

book that brings to life the permanent vulnerability and bafflement of suffering soldiers and their families. As MacLeish tracks what it means to have a life amid war's threat to it, he listens hard to the stories, detailing the comic and tragic genres people invent to make sense of things as they veer between snapping and being stunned.
