(PDF) Cost & Management Accounting II
Weeks 4 through 6 of the Course are devoted to the issues of managerial accounting. First, we introduce the key ideas of managerial accounting, and compare it to the financial accounting. We focus on the much closer link of managerial accounting to people. Then the core idea of managerial accounting – cost – is introduced and discussed.

Managerial Accounting for Managers Chapter 2 Cost Concepts
2) Performance measurement and accounting systems are needed, which are costly. In my opinion, I think that to adapt to the market and reduce the cost, people have tendency to form more complicated system and relationship in the market (e.g asset specificity—>long-term contracts—>organizations), even though some new conflicts occur.
