Managing Change, Creativity and Innovation (3rd ed.)

Key to the approach is the idea that change, creativity and innovation all overlap and interconnect rather than being three separate areas of study and that managing the three together is central to organizations having the competitive edge in developing new technologies and techniques, products and services.

Managing Change, Creativity and Innovation: Dawson ...

Change management is often presented as a reaction to business problems, but change can also be proactive, driven by entrepreneurship, leadership, creativity and innovation. Combining these perspectives in a processual framework, this text offers fresh explanations, beyond oversimplified guidelines and complex theories, with new case studies and updated material.
