Abstract Media violence poses a threat to public health inasmuch as it leads to an increase in real-world violence and aggression. Research shows that fictional television and film violence contribute to both a short-term and a long-term increase in aggression and violence in young viewers. Television news violence also contributes to increased violence, principally in the form of imitative ...

An amazing book about consumer finance and a healthy approach to managing your money. If you are age 18-35, this is a must-read! My notes are scarce, so get the book. Even if over 35, you might find some good tips on lowering your fees on various services, and a good reminder of good savings practices.
