Principles are fundamental truths that are permanent, unchanging, and universal in nature. For example, Stephen Covey describes a principle as a "natural law like gravity. If you drop something, gravity controls. If I don't tell you the truth, you won't trust me; that's a natural law." Our lives are defined by principles.

Terminology. The term syndicalism has French origins. In French, a syndicat is a trade union, usually a local union. The corresponding words in Spanish and Portuguese, sindicato, and Italian sindacato, are similar. By extension, the French syndicalisme refers to trade unionism in general. The concept syndicalisme révolutionnaire or revolutionary syndicalism emerged in French socialist ...
