## **AC\$ File Extension - What is an .ac\$ file and how do I ...**

What is a AC file? Every day thousands of users submit information to us about which programs they use to open specific types of files. While we do not yet have a description of the AC file format and what it is normally used for, we do know which programs are known to open these files. See the list of programs recommended by our users below.

## **Split-type Air-Conditioner - AC Direct**

The ac\$ file extension is given to AutoCAD temporary files that are used to store data when RAM is filled.. They should be deleted when AutoCAD closes, if it closes without crashing. If AutoCAD isn't running, these files can be deleted.
