boeing plane manual - Free Textbook PDF
First introduced on the series 200 in Feb 1979 as the Performance Data Computer System (PDCS), the Flight Management Computer (FMC) was a huge technological step forward. Smiths Industries (formerly Lear Seigler) has supplied all FMCs installed on the 737. The PDCS was developed jointly by Boeing and Lear Seigler in the late 1970's.

FlightSim.Com - X-Plane 11 Default FMC Tutorial
Selling a manual for a 737 is definitely against regulations. It is covered with the words Boeing Proprietary, so anyone selling it, could get in trouble since there is information in there that is intended only for Boeing, its suppliers and its customers.

Onboard Loadable Software - Boeing
A flight management system (FMS) is a fundamental component of a modern airliner's avionicsAn FMS is a specialized computer system that automates a wide variety of in-flight tasks, reducing the workload on the flight crew to the point that modern civilian aircraft no longer carry flight engineers or navigatorsA primary function is in-flight management of the flight plan.

X-Plane 11
The true FMC was introduced with the 737-300 in 1984 this kept the performance database and functions but also added a navigation database which interacts with the autopilot & flight director, autothrottle and IRSs. The integrated system is known as the Flight Management System (FMS) of which the FMC is just one component.

Quick Reference Handbook
Boeing provides each airplane with media parts which are packaged in a binder or set of binders. The standard media type is a 3.5-in disk, but the generic term is media set. Each media set has its own part number, which is different from the software part number or part numbers of its components.

Boeing 737NG FMS Pre-flight Setup
My name is Captain Pat BOONE, author of the B737 MRG pilot guide. I would like to confirm that the MRG should NOT be used during your ab initio training as a first officer on the Boeing 737. As pointed out above, you should focus on Boeing manuals (especially the FCTM) and your company Operational Manuals / Standard Operating Procedures.
