[Mapping Decline | Colin Gordon | The University of Iowa](#)

Between 1940 and 1950, whites settled throughout the suburban St. Louis counties and in a few tracts surrounding Forest Park and in the City's southern reaches. Many of these were new arrivals to the St. Louis area, but many (evidenced by the collapsing white population in many central city tracts) were moving from the City to its suburbs.

People are leaving, we have this horrendous poverty and unemployment on the north side: let's build a hockey arena downtown! This is how Colin Gordon describes urban planning in the City of St. Louis. Gordon, the author of Mapping Decline: St. Louis and the Fate of the American City, has likely spent more time charting the precipitous decline of our city than anyone.
