Math Journals For First Grade - Tunstall's Teaching Tidbits

If you've been following my blog and my "Math Journal Sundays" posts, you already know how much I enjoyed creating interactive math journal activities with my students - hands-down, the best addition to my math program last year. I've had a lot of questions about my math journals over the last year, and I've tried to answer most of them.

Planning and Setting up Interactive Notebooks for Teachers

For several weeks, my students completed numerous activities in their notebook and we all loved the experience SO much, that I decided to dedicate my life to making interactive notebooks that align with our 2014 Journeys reading program. AND since I know many teachers do not use Journeys, I also made a set of grammar and phonics notebook activities for first graders who are not using the series.
