I bought the target your maths Y5 book by Stephen Pearce and this Y5 answer book that was recommended to buy with it. The answer book does not match and does not link with math on target year 5. It is called maths on target y5 instead of target your maths. Do not buy the answer book recommended .

Target Your Maths Year 6 Answer Book: Year 6: Stephen ...

As a year 6 teacher of many years, I wouldn't be without this book (or when teaching in other year groups the Target your Maths for that year group too). Broken down into objectives at the right level of challenge for all. A must have (along with the separately available answer book). Excellent price.
