Amazon.com: Customer reviews: Matlab for Engineers
MATLAB for Engineers is intended for use in the first-year or introductory course in Engineering and Computer Science departments. It is also suitable for readers interested in learning MATLAB. With a hands-on approach and focus on problem solving, this introduction to the powerful MATLAB computing language is designed for students with only a basic college algebra background.

MATLAB for Engineers 5th Edition by Holly Moore (eBook PDF)
Moore's book is a very straightforward and simple introduction to MatLab. I had a terrible professor for my class in MatLab so it was easy for students to get confused, but this book made it easy to understand everything and get back on track.
