Best Sewing Machine Classes Near Me - November 2020: Find ...

Skipped Stitches. The most common cause of a sewing machine skipping stitches is using the wrong type of needle for the fabric you are sewing. The simplest rule of thumb is that a knit fabric requires a ballpoint needle, and woven fabric requires a sharp needle—but of course, there is more to it than that. If the machine is sewing fine and you find yourself changing the needle very frequently ...
