Mechanical Fitter Nuclear at Rolls-Royce was asked... When have you applied a course of change that has increased production and efficiency.

All Mechanical trade Question with answer Fitter Machinist Turner etc
Here is an answer example: "If I could change anything about being a pipefitter, I would ask that vocational schools focus on it a bit more when it comes to the options that they offer. More people are aware that they can be a plumber, or a welder, for example. Pipefitting seems to take a back seat in the sense of trade school options."9.
