writing on it and the Magazine is slightly dirty from age. The bottom of the lower left hand corner of the front cover has a slight tear by the binding.

Mechanix illustrated | Etsy

It appeared in Mechanix Illustrated, but what I found nowhere mentions Mechanix Illustrates, even though it is clearly the MI article. I would encourage you to check later for archives of Mechanix Illustrated and Science and Mechanis. Things change and they may become available one day. Unfortunately, I do not remember the project you want to find.

When *UrbaCar* was featured on the cover of *Mechanix Illustrated* magazine in the mid-1970s it set off a build-it-yourself car boom that would last for over ten years. It was the first in a long series of alternative cars that would be featured by *Mechanix Illustrated* magazine. Ultimately it would lead to a series of unique car designs following a minimalist alternative car theme.
