In the pages of Medieval Punishments are punishments from a less enlightened period, creating a thoroughly researched historical document that sheds light on the evolution of society and how humans have maintained social order and addressed crime. In a town called Newcastle-on-Tyne, a drunkard cloak was a barrel that offenders were made to wear.

Medieval Punishments: An Illustrated History of Torture by ...

The title says "illustrated", it only has a few illustrations (drawings actually). It only covers about a dozen methods of punishment, with only brief descriptions of the actual thing, and then much rambling about each, stories about when and where this was used. It is also focused strictly on stuff used in England. Quite a letdown.
