Amazon.com: Customer reviews: Meme Wars: The Creative ...
In his third book, Meme Wars: The Creative Destruction of Neoclassic Economics, Lasn prefaces the book by calling on University students to realize that they are being "fooled by the façade" of the capitalist educational system, adding that the lack of incorporation of externalities such as species extinction, resource depletion, climate change, and financial meltdowns has turned the profession into a "target for derision and ridicule". Lasn challenges students to look beneath the surface ...
