Memes Of Translation By Andrew

Memes of Translation is a search for coherence in translation theory based on the notion of Memes: ideas that spread, develop and replicate, like genes. The author explores a wide range of ideas on translation, mapping the "meme pool" of translation theory with chapters on translation history, norms, strategies, assessment, ethics, and translator training.

Memes of Translation is a search for coherence in translation theory based on the notion of Memes: ideas that spread, develop and replicate, like genes.

Memes Of Translation: The Spread Of Ideas In Translation ...

This revised edition of Memes of Translation includes updates that relate the book's themes to more recent research in Translation Studies. The book contributes to the debate about whether it is worth seeking a coherent theory of translation, by proposing an approach based on norms, strategies and values, which are all seen as kinds of memes, i.e. ideas that spread.

Memes of Translation by Andrew Chesterman (ebook)

The meme metaphor allows us to see translation in the context of cultural evolution, and also highlights similarities with the philosopher Karl Popper's analysis of another kind of evolution: that of scientific knowledge. A translation is, after all, itself a theory - a theory about the source text.
