Condominium - Wikipedia

These marriage and property laws, or "coverture," stipulated that a married woman did not have a separate legal existence from her husband. A married woman or feme covert was a dependent, like an underage child or a slave, and could not own property in her own name or control her own earnings, except under very specific circumstances.

Kimberly Van Der Beek Gives Tour of Her and James' New ...

By marriage, the husband and wife are one person in law: that is, the very being or legal existence of the woman is suspended during the marriage, or at least is incorporated and consolidated into that of the husband; under whose wing, protection, and cover, she performs every thing; and is therefore called in our law-French a feme-covert, foemina viro co-operta; is said to be covert-baron, or ...

In the book *Of Mice and Men*, Curley's wife isn't in the position where she needs to find a job but she is in a position that many married women were in during that time period. Women were seen as the property of their husbands and they had to take care of them and do their bidding.

Second Treatise of Civil Government, by John Locke 1690

The measure of property nature has well set by the extent of men's labour and the conveniences of life; no man's labour could subdue, or appropriate all; nor could his enjoyment consume more than a small part; so that it was impossible for any man, this way, to intrench upon the right of another, or acquire to himself a property to the prejudice of his neighbour, who would still have room ...

Men of property : the very wealthy in Britain since the ...

Although Locke uses the term labor to characterize the act by which men create property, it is clear from the examples which follow that labor is defined very broadly. Labor, for Locke, includes picking up acorns from the ground, gathering apples from wild trees, tracking deer in the forest, and catching fish in the ocean; labor ranges from simple acts of appropriation to production involving ...

John Locke, the Fall, and the Origin Myth of Capitalism ...

The reason why men enter into society, is the preservation of their property; and the end why they chuse and authorize a legislative, is, that there may be laws made, and rules set, as guards and fences to the properties of all the members of the society, to limit the power, and moderate the dominion, of every part and member of the society: for since it can never be supposed to be the will of ...

Wealth of Nations — Bk 5 Chpt 01 (Part II)

The experience that was had in this common course and condition, tried sundry years and that amongst godly and sober men, may well evince the vanity of that conceit of Plato's and other ancients applauded by some of later times; that the taking away of property and bringing in community into a commonwealth would make them happy and flourishing; as if they were wiser than God.

6 Reasons Divorce is Harder on Men Than Women

It is very clear, that God, as king David says, Psal. cvx. 16, "has given the earth to the children of men;" given it to mankind in common. But this being supposed, it seems to some a very great difficulty how any one should ever come to have a property in any thing ...

Role of Women During the Great Depression - Of Mice and Men

for the support, protection, and defence of those very rights; the principal of which, as is before observed, are Life, Liberty, and Property. If men, through fear, fraud, or mistake, should in terms renounce or give up any essential natural right, the eternal law of reason and the grand end of society would absolutely vacate such renunciation.

The Blackstone Commentaries and Women's Right

Condominium is an invented Latin word formed by adding the prefix con-'together' to the word dominium 'dominion, ownership'. Its meaning is therefore 'joint dominion' or 'co-ownership'. Condominia (the Latin plural of condominium) originally referred to territories over which two or more sovereign powers shared joint sovereignty.

John Locke's Theory of Property: Problems of ...

CHAP. V. Of Property. Sec.25. Whether we consider natural reason, which tells us, that men, being once born, have a right to their preservation, and consequently to meat and drink, and such other things as nature affords for their subsistence: or revelation, which gives us an account of those grants God made of the world to Adam, and to Noah, and his sons, it is very clear, that God, as king ...

Why women are still the property of men | Daily Telegraph

But the greater part of men are not very frequently under the influence of those passions, and the very worst of men are so only occasionally. As their gratification too, how agreeable soever it may be to certain characters, is not attended with any real or permanent advantage, it is in the greater part of men commonly restrained by prudential considerations.
