*The history of this company began in 1899-th year. Then in a small German town of Reda, a company for the production of milk separators was registered. Its founders are young entrepreneurs Karl Miele and Reinhard Zinkann. The very first workshop was located in a small village called Herzebrok, in the heart of the country. The new company had a lot of competitors, but, nevertheless, a year ...*

**Download Manuals - Miele**

About 100 years ago washing was done by hand. But as early as the beginning of the twentieth century the first washing machines were developed and significantly simplified the daily routine of housewives. Since then, many technological innovations that represented fundamental milestones in laundry care have been developed by Miele.
