It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations.

Melanoma In Dogs: Types, Symptoms And Treatments

Dogs are among the most lovable and loyal pets in the world, which is why they're so popular. They come with their fair share of accolades, but unfortunately are also susceptible to many serious health conditions.. One of these health concerns is Intervertebral Disc Disease, or IVDD, which is most commonly found in smaller dogs.

As a veterinarian, I regularly recommend that intact dogs be neutered, for one, as a means of population control. It's a standard recommendation in the U.S. Interestingly, most clients have no qualms about fixing their female dog; however, for some men, the mention of surgery for their male dog puts them on the defensive.
