The title Mining Capitalism mimics Tobacco Capitalism, the book by Peter Benson, with whom Kirsch has collaborated fruitfully in the study of corporate science and public relations in stigmatized industries (chapters 4 and 5 here and previous co-authored articles). This comparison presents a problem for an applied anthropology of mining.

Mining Capitalism: The Relationship between Corporations ...

In *Mining Capitalism: The Relationship Between Corporations and Their Critics*, Stuart Kirsch argues that the environmental damage caused by Ok Tedi and other mining operations, the response of local communities and their allies, and corporate strategies designed to delegitimize activists' claims expose the workings of contemporary capitalism.
