***Minor Health Conditions.***

***Feeling healthy involves more  
than just being free from  
disease. Many minor illnesses  
have the capacity to make us  
feel miserable, even though  
they pose no serious health  
risk. Sunburn, colds, flus,  
earaches, rashes and piles are  
just a few common problems  
that affect most adults at  
some time in their life.***
