What You Can Learn from Mission-Driven Companies

Mission driven nonprofits can teach us a lot about one of leadership ' s most powerful levers: discretionary effort. I recently attended an extraordinary conference about the future of leadership development in New York.

Vision Focused, Mission Driven: The Power of Nonprofits

There is much conversation in the nonprofit sector about the value (or challenge) of bringing for-profit leaders into the nonprofit sector. Many skeptics of this practice voice concerns about values-alignment, while supporters often cite that these sector-jumpers are looking for more meaningful work and bring valuable business skills with them.

The World ' s Moving to Mission-driven Lifestyles | OFX

If you ever decide to leave your new mission-driven employer, your resume will now resonate more with other purpose-driven companies, regardless of sector. Similarly, working for a non-profit or social enterprise can actually help make your business school applications stand out from those of more traditional candidates.
