Triton/Challenger Overheating issue - Mitsubishi

Mitsubishi's manual gearboxes from around this time (and earlier) were some of the noisiest around. But usually it wasn't anything to be concerned about. Bearing rumble and some clutch bearing noise were pretty much par for the course, but your problem sounds more like it's associated with the gearbox's synchromesh rings.

Alan Mance Mitsubishi - Huge Range of New & Quality Used Stock

I think the Triton does need a larger engine, it would of been good to have Mitsubishi introduce a new gen engine to solve some of the reliability issues and give it more grunt. User #832542 1 post
