The Pro Audio Files: Mixing, Recording and Producing Music

A good mix is not about individual band members' egos, it's about the overall blend. When you think about it, the individual band members have the least idea about what the mix should sound like - they all hear completely different versions of a mix depending on where they stand/sit when they perform. 8) Three "Tracks"

Music Mixing: The Beginner's Guide To Mixing [Part 1 ...

Comply Audio Premium and Sport Premium: these are a variation on the Comfort and Sport models. The main difference is in the core: while the other tips have a hard plastic core, the Pro tips have a foam core which allows them to fit to most in-ear headphones irrespective of their nozzle diameter.
