Modern Times Revised Edition: The World from the Twenties ...
Paul Johnson's analysis of modern history (in Modern Times: The World from the Twenties to the Eighties) is perceptive and cogent and very readable. His world view is strongly free-market and pro-individual freedom, so I personally appreciated and agreed with his conclusions, but readers who subscribe to a more collectivist world view and desire a world run by big government attempts at social engineering would find Johnson's analysis less agreeable.
