Modernity At Large: Cultural Dimensions of Globalization ...
In Modernity at Large: Cultural Dimensions of Globalization, Appadurai examines new dimensions of globalization, particularly cultural ones. He argues that few theories describe modernity, and that all of them either declare or desire universal applicability. Looking at modernity and globalization from a historical context, he argues that

Perhaps a perfect encapsulation of 1990s theory on globalization, modernity, and the nation-state. Appadurai is maybe a little too certain that the n-s is on its last legs, but his concepts of the various "scapes" that heavily influence cultural formations around the world and his sense that imagination is a social fact are incredibly valuable.
