Reviews "If Modest_Witness was a revelation twenty years ago when it was first published, it is essential reading now. We need this book to understand all that has become even more urgent, even more confounding and even more important. It is also a book that reveals how essential is the feminist engagement with science, one that encompasses questions of race and the history of colonialism for ...

Haraway on Modest Witnesses and the Scientific Method
Modest_Witness@Second_Millennium.FemaleMan ... which she faults for failing to recognize the gender contours of Boyle’s now-famous “modest witness.” Elizabeth Potter is enrolled to argue that modesty had different force for men and women in early experimental science: women were pushed from the scientific scene, while men effaced ...
