Explorer of the Brain, Bodymind & Beyond – Candace Pert, PhD  
Molecules of Emotion is a landmark work, full of insight and wisdom and possessing that rare power to change the way we see the world and ourselves.

Nonfiction Book Review: Molecules of Emotion: The Science ...  
Molecules of Emotion Quotes Showing 1-2 of 2 "When emotions are expressed...all systems are united and made whole. When emotions are repressed, denied, not allowed to be whatever they may be, our network pathways get blocked, stopping the flow of the vital feel-good, unifying chemicals that run both our biology and our behavior."

Molecules of Emotion The Science Behind Mind Body Medicine ...  
Molecules of Emotion is a landmark work, full of insight and wisdom and possessing that rare power to change the way we see the world and ourselves. Pert's striking conclusion that it is our emotions and their biological components that establish the crucial link between mind and body does not, however, serve to repudiate modern medicine's gains; rather, her findings complement existing techniques by offering a new scientific understanding of the power of our minds and our feelings to affect ...

Molecules of Emotion: Why You Feel the Way You Feel ...  
Molecules of Emotion begins as an eye-opener into the intellectual warfare of modern scientific discovery – the gamesmanship, the sly purloining of others' results – but also into the round-the-clock work, the exhilaration of a shared breakthrough, and the slow, painful rise of women in the scientific professions.
