Mob Wives Recap: Rat-a-tat-tat. PlathAddict Featured, Mob Wives, Recaps 17. This episode was very confusing to me. I came out of it on Renee's side, even though I suspect I was supposed to believe she was a rat and side with Alicia. I thought Alicia came out of this looking like a crazy woman who was simply projecting her fears all over Renee.

Moles Can Dance by Richard Edwards - Goodreads

But one young mole is bored with the job and wants to learn to dance. The other moles admonish him. ``Moles don't dance,' ' they say. ``Moles can't dance.' ' Young mole doesn't believe them, so he scampers out of the dark tunnel and begins to ask all the animals he meets if they can teach him to dance. Things are not so simple, though.

A mole (nevus) is a benign growth of melanocytes, cells that gives skin its color. Although very few moles become cancer, abnormal or atypical moles can develop into melanoma over time. "Normal" moles can appear flat or raised or may begin flat and become raised over time. The surface is typically smooth.
