Mothership Quotes by Martin Leicht - Goodreads

Teen pregnancy is never easy—especially not when extraterrestrials are involved. The first in a new trilogy. Elvie Nara was doing just fine in the year 2074. She had a great best friend, a dad she adored, and bright future working on the Ares Project on Mars. But then she had to get involved with sweet, gorgeous, dumb-as-a-brick Cole--and now she's pregnant.
