Motorcycling For Dummies by Bill Kresnak
Motorcycle jackets are made of leather or manufactured materials, such as Kevlar. Look for a jacket that has impact absorbing body armor. If the jacket carries a CE (Certified European) mark, it has met certification standards for sale in Europe. The best fit of a motorcycle jacket is snug through the torso with free motion in your arms.

Few activities offer more fun and excitement than motorcycling, but to get the most out of it, there's a lot you need to know. From buying and maintaining a bike, to riding safely, to finding great places to ride, Motorcycling For Dummies puts you on the road with savvy and style, whether you're male or female, new to riding or an experienced vet.

by Bill Kresnak
I took a motorcycle safety class and the instructor recommended this book. I have read other books for dummies and thought they were complete waste of time. I am very skeptical about a book for dummies. I found this book very informative and educational without being presumptuous or condescending to a non motorcycle person.
